All Zinalume Sheet - Colorbond Available

## HORSE STABLES

Cav Shed Stables are traditionally designed and incorporate a breezeway, accessible from either end of the building, with a row of mullions defining this area. The mullions provide excellent means for fitting out the stable areas of the shed. These columns can also provide and good building sections for including a Tack and/or Feed room into the shed. Recommended bay sizes are 3.5m or 4.0m. These bay sizes often dictate the height of shed too!

**Fitout of Stables and Day Yards Available**

**16.0m Long x 12.0m Wide x 4.0m High**

- 4 x 4.0m Bays - to suit 8 x 4.0m x 4.0m Stables + 4.0m Breezeway

## MACHINERY SHEDS WITH OPEN GABLE END

**GABLE INFILL AVAILABLE**

The Open End Machinery Shed has the same great advantages as the Standard model BUT one large opening at the end of the shed. The fully open end is ideal for farmers wanting to store extra large machinery without the complication of shed columns or the shed is ideal for the "not so good" machinery driver!

**42.0m Long x 15.0m Wide  
x 6.0m High**

7 x 6.0m Bays

**24.0m Long x 12.0m Wide

**FROM \$24,930** INC GST

All Zinalume Sheet - Colorbond Available

## MACHINERY SHEDS WITH LARGE OPEN FRONT

**AUSSIE  
GALV. RHS  
COLUMNS**

This is a wonderful variation to the classic Standard Machinery Shed, extra wide open bays. These are generally configured by doubling the size of shed bay. Available Large Open Bay Sizes: 8.0m, 10m & 12.0m.

**30.0m Long x 15.0m Wide  
x 4.0m High**

3 x 10.0m Large Open Bays

**20.0m Long x 12.0m Wide  
x 5.0m High**

1 x 10.0m Large Open Bay  
+ 2 x 5.0m Bays
